Community Information Session – Saturday, November 21

The Coachella Valley Public Cemetery District invites community members to attend a Community Information Session on Saturday, November 21, 2026, at 10:00 a.m., located behind the cemetery office. The session will provide an opportunity for District staff to share updates, answer questions, and hear directly from the community.

Topics will include:

- Road Construction: Current project status, anticipated timelines, and next steps.
- Turf Renovation: An overview of the annual renovation process, scheduling challenges, and future considerations.
- District and Agency Updates: General updates on District operations, projects, and other agency matters.
- Community Feedback: An opportunity for attendees to ask questions, share concerns, and provide suggestions.

The session is expected to last approximately 30 minutes but may run longer depending on attendance, questions, and community engagement. The event is free and open to everyone. We encourage community members to attend, stay informed, and participate in the conversation.

Please note: This is an informal informational session hosted by District staff, not an official Board of Trustees meeting. No Board business or official action will be conducted.

For questions or additional information, please contact District offices at (760) 398-3221.
